Mini Projects

WEB DESIGN – Pre Order Book, Library

Role – Full Stack Developer

Project work on Responsive web design of **LIBRARY MANAGEMENT**. This would be useful for the students to take a look on books which are available in library. And the book which they prefer can be pre-ordered so they would have the book in advance. Interface will be easy to use for both In-charge and students. Front end is done with **HTML, CSS, JAVASCRIPT, BOOTSTRAP** and **server side** is done with **PHP** and **SQL**.
